NOTES:

1. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND THE MEETING AND THAT THE PROXY NEED NOT BE A MEMBER OF THE COMPANY.**

The proxy form, in order to be effective, must be deposited at the registered office of the Company not less than 48 hours before the commencement of the meeting. A person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.

2. The relative Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013, in respect of Special Businesses under item no.5 and 6 to be transacted at the Meeting, is annexed hereto.
3. The Register of Members and Share Transfer Books of the Company will remain closed from, 26th September, 2016 to 30th September, 2016 (both days inclusive).
4. Since the Company's shares are in compulsory demat trading, to ensure better services and elimination of risk of holding shares in physical form, we request our shareholders holding shares in physical form to dematerialize their shares at the earliest.
5. Members holding shares in dematerialized form are requested to notify change in address/bank account, if any, to their respective Depository Participants (DPs). Members must quote their Folio Number/ De-mat Account No. (Client Id) in all correspondence with the Company and/or R&T Agent. The Company, in case of dematerialized shares, will not entertain any direct request from such members for change of address, transportation of names, deletion of name of deceased joint holder and change in the bank account details.
6. Any queries regarding the Annual Accounts or otherwise must be sent to Registered Office of the Company at least 10 days before the date of the meeting.
7. Relevant documents referred to in the accompanying Notice are open for inspection by the Members at the Registered Office of the Company on all working days during office hours upto the date of the Annual General Meeting.
8. Nomination facility is available to the members in respect of shares held by them. Members holding Shares in physical form may obtain the nomination forms from the Company's Registrar and Share Transfer Agent. Members holding Shares in electronic form may obtain the nomination form from their respective Depository Participants.
9. Electronic copy of the notice along with the Annual Report is being sent to all members whose E-mail IDs are registered with the Company/ Depository Participant(s) for communication purposes unless any member has requested for hard copy of the same. For members who have not been registered their email address, physical copies of the Annual Report are being sent to them.
10. Pursuant to Section 205A read with Section 205C of the Companies Act, 1956, the dividend amounts which remain unpaid/unclaimed for a period of seven years, are required to be transferred to the Investors Education & Protection Fund of the Central Government. Accordingly, Unclaimed final dividend for the Financial Year 2009-10 and onwards which remain unpaid/unclaimed for a period of seven years will be transferred to the IEPF by the end of September, 2017 pursuant to the provisions of Section 125 of Companies Act, 2013 (or Section 124 of Companies Act, 2013 once notified). Members who have not claimed their dividend for the financial year 2009-10 and onwards are requested to make their claim to the Company immediately.
11. **Voting through electronic means:**
 - A) Pursuant to Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of Listing Regulations, the Company is pleased to provide the facility to Members to exercise their right to vote on the resolutions proposed to be passed at AGM by electronic means. The Members, whose names appear in the Register of Members / list of Beneficial Owners as on 23.09.2016, i.e. the date 7 days prior to the commencement of book closure, being the cut-off date, are entitled to vote on the Resolutions set forth in this Notice. Managing Director's Speech

Mr. Harjeet Singh Arora
Managing Director

India's economic growth will continue to be driven by private consumption, which will benefit from higher real incomes. With the revival of sentiment and pickup in industrial activity, a recovery of private investment is expected to further strengthen growth.

Dear Shareholders,

It gives me great pleasure to present your Company's Annual Report and to share with you its performance for the year 2015-16.

Economic conditions continue to improve but at a sluggish pace and global growth is expected to remain modest in 2015-16, at 3.2 percent, before picking up to 3.5 percent in 2016-17. In late 2014-15, growth in the United States fell to 1.4 percent and Japan recorded lower than expected growth. In 2015-16, Brazil, Russia, and some countries in Latin America and in the Middle East experienced severe macroeconomic conditions. For the year 2015-16, real GDP at constant (2011-12) prices grew 7.6 percent, up from 7.2 percent a year ago. Further, according to World Economic outlook released by the IMF, India's GDP growth is expected to attain upto 7.6 percent in 2016-17.

The growth was largely led by the financial, real estate and professional services industry, followed by the manufacturing industry which registered growth rate of 10.3 percent and 9.3 percent respectively in 2015-16. India's economic growth will continue to be driven by private consumption, which will benefit from higher real incomes. With the revival of sentiment and pickup in industrial activity, a recovery of private investment is expected to further strengthen growth.

There are considerable downside risks to the global economy which include moderate slowdown in China, weak outlook for exporters of non-oil commodities, and several pressures related to political, geopolitical, or natural developments: Brexit, refugee inflows and El Nino (climate cycle in the Pacific Ocean with a global impact on weather patterns) induced drought.

At the industry level in which your Company primarily operates, the equity markets went

through a rough phase in 2015-16 with a 10 percent decline in trading volumes compared to 2014-15. Muted global growth, declining commodity prices, the first rate hike by the US Federal Reserve (in almost a decade) and overall weak global sentiment affected the domestic capital markets. However, the aggregate market turnover was impacted largely by the declining activity in the largest segment – options. This was partly due to increase in minimum option contract size from November 1st, 2015 which reduced the activity of intraday traders in the options market.

For 2015-16, the Company's topline (Consolidated) decreased by 9.59 percent to ₹1036.21 million as compared to ₹ 1146.09 million in the previous year. The net worth (Consolidated) of the Company has increased by 2.12 percent to ₹ 1708.60 million as compared to ₹1673.06 million in the previous year. The Net Profit after Tax (Consolidated) decreased by 62.10 percent to ₹ 35.55 million as compared to ₹93.79 million in the previous year.

In their short span of 2-3 years, discount brokerage houses have made their presence felt in the industry. Few discount brokerage houses have also decided to start offering margin funding services to their clients to deepen their client relationships. With increase in client base of discount brokerage houses and other players entering the online broking segment, online volume for the brokerage houses (as a percent age of overall retail volume) rose to 30 percent from 27 percent in 2014-15. However, the retail investors seem to have returned to the capital markets indirectly as seen by the robust inflows into the equity schemes of mutual funds during the last 9-10 months.

We are continuously investing in our technology platform to ensure a superior experience for our customers right from seamless trade execution, to investing in various instruments and viewing account statements. We have successfully leveraged technology to deliver cutting edge products for mobile trading and algorithmic trading where volumes are increasing substantially. Further, we are investing in other products and services complementary to our

existing services which has started showing results. Some significant developments being distribution of loans to retail clients through an associate company, mutual fund assets under management crossing ₹1000 million and Portfolio Management Services assets under management crossing ₹ 570 million showing a significant rise over previous year. All the investment in technology and products would help in improving the overall financial performance of the Company in the years to come.

On behalf of the Board, I place on record my sincere appreciation and gratitude to our directors, customers, bankers, sub-brokers, authorized persons and our shareholders for their continued support and confidence they have reposed in the Company. I record my special appreciation of the continuous efforts of my hardworking colleagues who have displayed unswerving commitment to their work.

Management Discussion and Analysis

Management Discussion and Analysis

GLOBAL ECONOMY

IMF reported that in 2015 global output grew by 3.1 percent, with 1.9 percent growth for advanced economies and 4.0 percent growth for emerging market and developing economies. Growth in most advanced economies remained low while prospects remained diverse across emerging market and developing economies. IMF reported that as a result of the outcome of the U.K. vote, the global outlook for 2016-17 has worsened. IMF has projected Global growth to remain modest in 2016, at 3.1 percent, before picking up to 3.4 percent in 2017. This vote reflects the expected macroeconomic consequences of a sizable increase in uncertainty, including on the political front. Global recovery is expected to continue at a slow pace. In late 2015, growth in the United States fell at a seasonally adjusted annual rate due to weak domestic demand and exports. Employment growth was strong, labor force participation rebounded, and the unemployment rate continued its downward trend in March. Lower than expected growth in Japan was mainly caused by a sharp drop in private consumption in during the fourth quarter. Global industrial production remained subdued, due to weak investment worldwide, particularly in energy and mining, as well as the deceleration of China's manufacturing activity. During the first quarter of 2016, better than expected euro area growth counterbalanced weaker U.S. growth.

Source: IMF, E= Estimated

EMERGING ECONOMIES

Oil-importing emerging market economies are benefiting from terms-of-trade gains but in some instances are facing tighter financing conditions and weakness in external demand. In 2015-16, Brazil, Russia, and some countries in Latin America and in the Middle East experienced severe macroeconomic conditions. Growth in these countries have been estimated to rise although will remain weak or negative. As compared with the previously forecasted growth, owing to resilient domestic demand and robust growth in the services sector, growth in China was slightly stronger. The downturn in Brazil was deeper than expected and the recession in Russia in 2015 was in line with expectations. Spillovers from Russia, impact of lower oil prices on net oil-exporting countries, adversely affected conditions in most other Commonwealth of Independent States (CIS) economies. During the first quarter of 2016-17, growth in output was better than expected in emerging market and developing economies.

Growth in China is expected to slow to 6.6 percent in 2016 and 6.2 percent in 2017. In China, the near-term outlook has improved due to recent policy support. Benchmark lending rates were cut five times in 2015, fiscal policy turned expansionary in the second half of the year, infrastructure spending picked up, and credit growth accelerated. The rebalancing process from investment to consumption supported by high income growth, a robust labor market, and structural reforms, is expected to continue and boost services sector growth. Brazil's economy is projected to contract by a further 3.3 percent in 2016 (following a contraction of 3.8 percent in 2015), as the recession takes its toll on employment and real incomes and domestic uncertainties continue to constrain the government's ability to formulate and execute policies. India's economic growth is expected to be at 7.4 percent in 2016 and 2017.

THE INDIAN GROWTH STORY

India continues to remain a bright spot at a time when global growth is facing increasing downside risks, as per the World Economic outlook released by the IMF. Indian economy is projected to attain upto 7.6 percent in 2016-17, ahead of China. For the year 2015-16, real GDP at constant (2011-12) prices grew 7.6 percent, up from 7.2 percent a year ago. During 2015-16, GDP grew 7.5 percent in the first quarter, 7.6 percent in the second quarter, 7.2 percent in the third quarter, and 7.9 percent in the fourth quarter; as against 6.7 percent in Q1, 8.4 percent in Q2, 6.6 percent in Q3, and 7.5 percent in Q4 of 2014-15.

Source: MOSPI

FINANCIAL, REAL ESTATE AND PROFESSIONAL SERVICES SECTOR OUTPERFORMED OTHER SECTORS

The Indian growth story has been led by services-sector growth. Real GVA at basic constant (2011-12) prices in 2015-16, showed a growth rate of 7.2 percent. The growth was largely led by the financial, real estate and professional services industry, followed by the manufacturing industry which registered growth rate of 10.3 percent and 9.3 percent respectively in 2015-16.

OUTLOOK

In 2016, global growth has been forecasted to be 3.1 percent, and 3.4 percent in 2017. Growth is projected to continue in the United States at a moderate pace, supported by strengthening balance sheets, no further fiscal drag in 2016, and an improving housing market. Among advanced economies, growth is projected to increase marginally, due to the projected decline in growth in Japan due to the planned consumption tax increase. The modest acceleration of growth in advanced economies reflects support from lower energy prices and accommodative monetary policies. In emerging market and developing economies, growth is projected to increase only modestly relative to 2015. A variety of factors explain the growth projections: weakness in oil-exporting countries; a moderate slowdown in China and a still-weak outlook for exporters of non-oil commodities. Besides these factors, in both the United States and Europe, there are several pressures related to political, geopolitical, or natural developments: Brexit, refugee inflows and El Nino (climate cycle in the Pacific Ocean with a global impact on weather patterns) induced drought is worsening poverty and displacement in a range of emerging markets and low-income developing countries. India's economic growth will continue to be driven by private consumption, which will benefit from higher real incomes. With the revival of sentiment and pickup in industrial activity, a recovery of private investment is expected to further strengthen growth.

INDIAN FINANCIAL SECTOR HIGHLIGHTS

- On balance of payments basis (i.e., excluding valuation effects), the foreign exchange reserves increased by US\$ 17.9 billion during 2015-16 as compared to an increase of US\$ 61.4 billion during 2014-15. Current Account Deficit (CAD) narrowed to 1.1 percent of GDP in 2015-16 from 1.3 percent in 2014-15 on the back of contraction in the trade deficit. Net FDI inflows during 2015-16 (US\$ 36.0 billion) rose sharply by 15.3 percent over the level in 2014-15.
- Association of Mutual Funds in India (AMFI) reported that average assets managed by the mutual fund industry have grown to ₹13.55 trillion in March 2016. During the fiscal year 2015-16 equity funds had inflows of ₹ 67,611 crore, taking total inflows as on 31st March 2016 to ₹134,180 crore.
- India is the fifteenth largest insurance market in the world in terms of premium volume and has the potential to grow exponentially in the coming years. During April 2015 to February 2016 period, the life insurance industry recorded a new premium income of ₹1.072 trillion, indicating a growth rate of 18.3 percent.
- Investment corpus in India's pension sector is expected to cross US\$ 1 trillion by 2025 following the passage of the Pension Fund Regulatory and Development Authority (PFRDA) Act 2013. The Union Budget 2016-17 has allowed foreign investment in the insurance and pension sectors in the automatic route up to 49 percent subject to the extant guidelines on Indian management and control to be verified by the regulators.
- RBI granted 'in principle' approval to 10 small finance banks and 11 payments banks to improve financial inclusion. The setting up of 11 new payments banks can potentially free up ₹ 1,400,000 crore per annum to fund the infrastructure sector, as per a study by the State Bank of India.
- The Prime Minister of India has launched the Micro Unit Development and Refinance Agency (MUDRA) to fund and promote Microfinance Institutions (MFIs) which would in turn provide loans to small and vulnerable sections of the business community. Under Pradhan Mantri Jan Dhan Yojna (as of February 24th, 2016), 210 million accounts have been opened and 174.6 million RuPay debit cards have been issued. Government of India aims to extend insurance, pension and credit facilities to those excluded from these benefits under the PMJDY. The Union Cabinet Minister has also approved the Pradhan Mantri Suraksha Bima Yojana which will provide affordable personal accident and life cover to a vast population.

INDIAN FINANCIAL MARKETS

Indian equity markets observed a good phase in FY2015, but in most of FY2016 the equity markets went through a rough phase with a 9 percent decline in trading volumes compared to FY2015. Muted global growth, declining commodity prices, the first rate hike by the US Federal Reserve (in almost a decade) and overall weak global sentiment affected the domestic capital markets. During 2015-16, the primary securities market recorded a total number of issues of 108, from which ₹ 58,167 crore were raised as compared to ₹19,203 crore raised through 88 issues during 2014-15. For the year 2015-16, the S&P BSE Sensex ended 9 percent lower at 25341.86 levels, while the Nifty50 closed 12.4 percent lower at 7738.40 compared to their respective closing figures as on March 31st, 2015; however Mid Cap index has outperformed its larger peers. During March 2016, the benchmark indices rallied with blue-chip indices, broadbased indices and sectoral indices (except S&P BSE Healthcare and Nifty Pharma) all registering gains during the month.

INDIAN BROKERAGE INDUSTRY

- At the industry level, Equity Average Daily Volumes (ADV) declined by 10 percent YoY during FY 2016 to ₹3.01 trillion. The aggregate market turnover was impacted largely by the declining activity in the largest segment – options. This was partly due to increase in minimum option contract size from November 1st, 2015 which reduced the activity of intraday traders in the options market. The industry Option volumes were further exacerbated by gradual withdraw liquidity enhancement incentives by

exchanges on select products. Though, ADV moderated in the cash segment as well, the decline in this was relatively lower. Turnover in the futures segment remained almost flat during FY2016 over FY2015. Consequently, the volume share in the overall market shifted away from the options segment with Cash:Futures:Options volume proportions adjusting to 7:17:76 during FY2016 from 6:15:79 in FY2015.

- ♦ Retail investors seem to have returned to the capital markets indirectly as seen by the robust inflows into the equity schemes of Mutual Funds during the last 9-10 months. Further, many brokers have reported 40-60 percent increase in activity levels of the clients. However, for retail brokers the activity levels remain much lower than what was observed in the heydays of FY 2008 or FY 2011. As per the data obtained from the exchanges, 32-34 percent of overall volumes currently originate from internet / mobiles / tablet platforms. This particular phenomenon is expected to have a lasting impact on the manner in which the industry evolves with much of the incremental client addition for larger brokers being 'online clients'.
- ♦ The commodity broking activity levels continue to remain at muted levels, even though it is more than 30 months since the CTT (Commodity Transaction Tax) was imposed and the NSEL crisis occurred. While the imposition of the CTT has kept most jobbers and arbitrageurs away, the occurrence of the NSEL crisis seems to have impacted investor confidence adversely, thereby, forcing most players to approach the commodity markets cautiously.
- ♦ In their short span of 2-3 years, discount brokerage houses have made their presence felt in the industry. Few discount brokerage houses have also decided to start offering margin funding services to their clients to deepen their client relationships. With increase in client base of discount brokerage houses and other players entering the online broking segment, online volume for the brokerage houses (as a percent age of overall retail volume) rose to 30 percent from 27 percent in FY 2015.

OUTLOOK

India is today one of the most vibrant global economies, on the back of robust financial sector. Several measures have been outlined in the Union Budget 2016-17 that aim at reviving and accelerating investment which, inter alia, include fiscal consolidation with emphasis on expenditure reforms and continuation of fiscal reforms with rationalization of tax structure. The merger of Forward Markets Commission (FMC) with Securities and Exchange Board of India (SEBI) helped convergence of regulations in the commodities and equity derivatives markets, in line with this SEBI plans to gradually introduce more commodity products and allow more participants in the commodity derivatives market in India.

The domestic equity markets participation during FY2016 was mainly driven by the return of the retail investors as poor performance of traditional asset classes (such as gold and real estate) made most investors over-dependent on the equity markets. With activity levels fostered not just by improved domestic market outlook but also by easing of inching up along with a host of other tools that facilitated ease of use, the markets saw a retail investor coming back.

During FY 2015, the total revenues of the brokers improved substantially mainly driven by surge in broking revenues and revenues from other lines of businesses which include interest income, depository income and wealth management fees, However ICRA estimates that the broking revenues for the industry has declined slightly by ~7-8 percent in FY 2016 compared to FY 2015 on the back of lower volumes and also pricing pressures across the segments. Further a rise in cost structures as many players had resumed hiring and expansion plans is expected to keep the overall profitability matrices of brokerage houses under pressure for FY 2016.

The Board of Directors of your Company has constituted a risk management policy which seeks to identify risks inherent in business operations of the Company and provides guidelines to define, measure, report, control and mitigate the identified risks. The objective of Risk Management is to create and protect shareholder value by minimizing threats or losses, and identifying and maximizing opportunities. An enterprise-wide risk management framework is applied so that effective management of risks is an integral part of every employee's job.

The Board's role under the policy is to ensure framing, implementing and monitoring risk management plan, having in place systems for risk management as part of internal controls. It is the duty of Independent Directors to bring unbiased angle to the Board's deliberations on making risk management systems more robust. On the other hand, Audit Committee's role is Evaluate the risk management systems.

As a financial intermediary, the Company is exposed to risks that are particular to its lending business and the environment within which it operates. Company's goal in risk management is to ensure that it understands, measures and monitors the various risks that arise and that the organization adheres strictly to the policies and procedures which are established to address these risks. The Company is primarily exposed to credit risk, market risk, liquidity risk, operational risk and legal risk.

The Company has a structured and standardized credit approval process, which includes a well-established procedure of comprehensive credit appraisal. In addition, the Company attempts to mitigate operational risk by maintaining a comprehensive system of internal controls, establishing systems and procedures to monitor transactions, maintaining key back-up procedures and undertaking regular contingency planning. As regards legal risk, the Company seeks to minimize legal risk by using stringent legal documentation, employing procedures designed to ensure that transactions are properly authorized and consulting internal and external legal advisor. The Company also conducts a comprehensive analysis of our loan portfolio on a periodic basis. The analysis considers both qualitative and quantitative criteria including, among others, the account conduct, future prospects, repayment history and financial performance. This comprehensive analysis includes an account by account analysis of the entire loan portfolio, and an allowance is made for any probable loss on each account. In estimating the allowance, we consider the net realizable value on a present value basis by discounting the future cash flows over the expected period of recovery. Further, we also consider past history of loan losses and value of underlying collateral.

34. Board Evaluation

The Board of Directors of your Company recognises and accepts that Boards are accountable to the public to ensure that they are operating in an effective manner. Care is taken to avoid that the Board does not fall into the “same old way of doing things”. - iv) such other officer as may be prescribed.

"Senior Managerial Personnel" means the personnel of the company who are members of its core management team excluding Board of Directors Normally, this would comprise all members of management of rank equivalent to General Manager and above, including all functional heads.

Objective

- ♦ The objective of the policy is to ensure that:
- ♦ the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;

- ♦ relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- ♦ remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

Role of the Committee

The role of the NRC will be the following:

- ♦ To formulate criteria for determining qualifications, positive attributes and independence of a Director.
- ♦ To formulate criteria for evaluation of Independent Directors and the Board.

Independent Auditor's Report

To
The Members Of
Master Trust Limited

Report on the Financial Statements

We have audited the accompanying standalone financial statements of **Master Trust Limited ('the Company')**, which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure B'.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 20 to the financial statements.
 - (ii) The Company did not have any outstanding long-term contracts including derivative contracts as at 31st March, 2016 for which there were any material foreseeable losses: and

Annexure A To The Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

1. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) Fixed assets have been physically verified by the management during the year at reasonable intervals and no material discrepancies were identified on such verification.
(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
2. The inventory, which are held in dematerialized/ physical form, has been verified at reasonable intervals by the management and no material discrepancies were identified on such verification.
3. The Company has granted unsecured loans to six parties covered in the register maintained under section 189 of the Act.
(a) In our opinion, the rate of interest and other terms and conditions on which the loans had been granted to the parties covered in the register maintained under section 189 of the Act were not prima facie, prejudicial to the interest of the Company.
(b) In the case of the loan granted to the parties covered in the register maintained under section 189 of the Act, the borrowers have been regular in the payment of the interest as stipulated. The terms of arrangements do not stipulate any repayment schedule and loans are repayable on demand. Accordingly, paragraph 3(iii)(b) of the Order is not applicable to the Company in respect of the principal amount.
(c) There are no overdue amounts in respect of the loans granted to the parties covered in the register maintained under section 189 of the Act.
4. In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to loans and investments made.
5. The company has not accepted any deposits from the public.
6. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any of the services rendered by the Company.
7. (a) According to the information and explanations given to us and on the basis of our examination of the record of the Company, the Company has generally been regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it.

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to it were in arrears as at 31 March, 2016 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no dues of income tax, sales tax, service tax, duty of customs, duty of excise and value added tax which have not been deposited on account of any dispute.

8. Based on our audit procedures and as per the information and explanations given by the management, we are of the opinion that the Company has not defaulted in repayment of loans or borrowing to a financial institution, bank, government or dues to the debenture holders.
9. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable to the Company.
10. According to the information and explanations given to us, no material fraud by the Company or any fraud on the company by its officers or employees has been noticed or reported during the course of our audit.
11. According to the information and explanations given to us and based on our examination of the records of the company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly paragraph 3(xii) of the Order is not applicable.
13. According to the information and explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records of the company, the company has not made any preferential allotment or private placement of share or fully or partly convertible debentures during the year.
15. According to the information and explanations given to us and based on our examination of the records of the company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
16. According to the information and explanations given to us and based on our examination of the records of the company, the company is required and duly registered under section 45-IA of the Reserve Bank of India Act, 1934.

Annexure B To The Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Master Trust Ltd ('the Company') as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that

receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company has prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the RBI as applicable to a NBFC. The financial statements have been prepared on an accrual basis and under the historical cost convention except interest on loans which have been classified as non-performing assets and are accounted for on realization basis.

b. Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make judgements, estimates and assumptions considered in the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Fixed Assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

d. Depreciation and Amortisation

Depreciation on fixed assets is provided on the straight line method using the rates arrived at based on useful life of the assets prescribed under Schedule II of the Companies Act, 2013 which is also as per the useful life of the assets estimated by the management.

e. Impairment of Assets

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit & Loss Account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

f. Investments

Investments which are readily realisable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. Current investments are carried in the financial statement at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the investments. On disposal of an investment, the difference between the carrying amount and net disposal proceeds are charged or credited to statement of profit and loss.

g. Inventories

Inventories are valued at the lower of cost and the net realisable value.

h. Revenue Recognition

The Company follows the mercantile system of accounting and recognized Profit/Loss on that basis. Interest income is recognized on the time proportionate basis starting from the date of disbursement of loan. In case of Non Performing Assets, interest income is recognized on receipt basis, as per NBFC Prudential norms.

i. Employee Benefits

- (I) Under the Provident Fund plan, the Company contributes to a government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.
- (II) Leave encashment is payable to eligible employee, who have earned leaves, during the employment and/or on separation as per the company policy.
- (III) The company has provided the provision for the gratuity and charges to revenue.

j. Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

k. Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

l. Prudential Norms

For identifying Non Performing Assets (NPA) relating to financing activities, the Company follows Non-Systemically Important Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2015.

m. Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as fraction of an equity share to the extent that they were entitled to participate in dividends related to a fully paid equity share during the reporting year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

n. Provisions and contingencies

Contingent liabilities, if material, are disclosed by way of notes, contingent assets are not recognized or disclosed in the financial statements, A provision is recognized when an enterprise has a present obligation as a result of past event(s) and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation(s), in respect of which a reliable estimate can be made for the amount of obligation.

Note 21

The Punjab State Industrial Development Corporation Limited (PSIDC) had contributed ₹8.85 Million in 8,85,000 equity shares in the capital of Prime Industries Limited @ ₹10/- per share, as Direct Equity Participation in 1993. The Company as an associate promoter of Prime Industries Limited, pledged 5,69,300 shares (As at 31st March, 2015: 5,69,300 shares) of Prime Industries Limited of ₹10/- each amounting to ₹5.69 Million (As at 31st March, 2015: ₹5.69 Million) to PSIDC. The Company had also subscribed to the undertaking for buy back of the shares subscribed by PSIDC as referred above. The Government of Punjab had notified one time settlement scheme (OTS) vide notification number 15/03/09-AS-6/400 Dated 2nd March, 2009. A sum of ₹25.38 Million (As at 31st March, 2015 ₹25.10 Million) shown as loans and advances recoverable in cash and/or kind has already been paid as per the amount demanded by the PSIDC in this respect. The matter now has been settled vide Hon'ble Punjab & Haryana High Court's Order dated 19.05.2015 with no further liability against the said shares. However, as the Company vide SEBI's Order dated 19.12.2014 has been restrained to buy, sell or otherwise deal in Equity Shares therefore the Company had applied to SEBI to allow release of 5,69,300 shares pledged to PSIDC and also allow for transfer of 8,85,000 shares purchased by the Company under the buyback undertaking. Therefore, the shares so pledged shall be released to the Company by PSIDC on the adjudication of the matter by SEBI.

Consolidated Balance Sheet

Consolidated Independent Auditor's Report

To
The Members Of
Master Trust Ltd

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Master Trust Limited ('the Company')** and its subsidiaries (the Company and its subsidiaries constitute "the Group") which comprise the Consolidated Balance Sheet as at 31st March, 2016, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2016, and its consolidated profit and its consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the company as on 31 March, 2016 taken on record by the Board of Directors of the company, none of the directors of the company and its subsidiary companies is disqualified as on 31 March, 2016 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 22 to the consolidated financial statements.
 - (ii) The Group did not have any outstanding long-term contracts including derivative contracts as at 31st March, 2016 for which there were any material foreseeable losses: and
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company and its subsidiary companies.

Annexure A To The Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2016, we have audited the internal financial controls over financial reporting of Master Trust Limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the

maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Group;(2)provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Group; and (3)provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries companies have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016 based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of consolidated financial statements for the year ended 31st March, 2016

1 Significant Accounting Policies

A Basis of Preparation of Consolidated Financial Statements

- (a) The Consolidated Financial Statements have been prepared in accordance with Accounting Standard - 21 issued by the Institute of Chartered Accountants of India and generally accepted accounting principles in India.
- (b) The Consolidated Financial Statements of Master Trust Limited for the year ended 31st March, 2016 and its following subsidiaries:

Subsidiaries	Accounting Year Ended Date	Proportion of Ownerships Interest as at 31 st March, 2016
Master Capital Services Ltd.	31 st March, 2016	100%
Master Infrastructure and Real Estate Developers Ltd.	31 st March, 2016	100%
Master Commodity Services Ltd.*	31 st March, 2016	100%
Master Insurance Brokers Ltd.*	31 st March, 2016	100%
Master Portfolio Services Ltd.*	31 st March, 2016	100%
H.A. Share & Stock Brokers Ltd.	31 st March, 2016	51%

*Master Insurance Brokers Limited (MIBL), Master Portfolio Services Limited (MPSL) and Master Commodity Services Limited (MCOML) are the subsidiaries of Master Capital Services Limited. Since, Master Capital Services Limited is a subsidiary of the Company, therefore, MIBL, MPSL and MCOML are being reported as subsidiaries of the Company.

All the subsidiaries are incorporated in India.

- (c) The financial statements of the Company and its subsidiaries have been combined on a line- by- line basis by adding together the book values of like items of assets, liabilities, income and expenses after fully eliminating intra-group balances and intra-group transactions.
- (d) The Company has disclosed only such policies and notes from the individual financial statements, which fairly cover the required disclosures.
- (e) The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on accrual basis under the historical cost convention.

B Use of Estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

C Fixed Assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

D Depreciation and Amortisation

Depreciation on fixed assets is provided on the straight line method using the rates arrived at based on useful life of the assets prescribed under Schedule II of the Companies Act, 2013 which is also as per the useful life of the assets estimated by the management.

E Impairment of Assets

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of cash generating unit which the asset belongs to, is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of Profit & Loss Account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciable historical cost.

F Investments

Current investments are carried at lower of cost and fair value. Long Term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

G Inventories

Inventories are valued at the lower of cost and the net realisable value.

H Revenue Recognition

The Company follows the mercantile system of accounting and recognized Profit/Loss on that basis. Interest income is recognized on the time proportionate basis starting from the date of disbursement of loan. In case of Non Performing Assets, interest income is recognized on receipt basis, as per NBFC Prudential norms.

I Employee Benefits

- (a) Under the Provident Fund plan, the Company contributes to a government administered provident fund on behalf of its employees and has no further obligation beyond making its contribution.
- (b) Leave encashment is payable to eligible employee, who have earned leaves, during the employment and/or on separation as per the company policy.
- (c) The company has provided the provision for the gratuity and charges to revenue.

J Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

K Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

L Prudential Norms

For identifying Non Performing Assets (NPA) relating to financing activities, the Company follows Non-Systemically Important Non-Banking Financial (Non-Deposit Accepting or Holding) Companies Prudential Norms (Reserve Bank) Directions, 2015.

M Provisions and contingencies

Contingent liabilities, if material, are disclosed by way of notes, contingent assets are not recognized or disclosed in the financial statements. A provision is recognized when an enterprise has a present obligation as a result of past event(s) and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation(s), in respect of which a reliable estimate can be made for the amount of obligation.

Note 23

The Punjab State Industrial Development Corporation Limited (PSIDC) had contributed ₹8.85 Million in 8,85,000 equity shares in the capital of Prime Industries Limited @ ₹10/- per share, as Direct Equity Participation in 1993. The Company as an associate promoter of Prime Industries Limited, pledged 5,69,300 shares (As at 31st March, 2015: 5,69,300 shares) of Prime Industries Limited of ₹10/- each amounting to ₹5.69 Million (As at 31st March, 2015: ₹5.69 Million) to PSIDC. The Company had also subscribed to the undertaking for buy back of the shares subscribed by PSIDC as referred above. The Government of Punjab had notified one time settlement scheme (OTS) vide notification number 15/03/09-AS-6/400 Dated 2nd March, 2009. A sum of ₹25.38 Million (As at 31st March, 2015: ₹25.10 Million) shown as loans and advances recoverable in cash and/or kind has already been paid as per the amount demanded by the PSIDC in this respect. The matter now has been settled vide Hon'ble Punjab & Haryana High Court's Order dated 19.05.2015 with no further liability against the said shares. However, as the Company vide SEBI's Order dated 19.12.2014 has been restrained to buy, sell or otherwise deal in Equity Shares therefore the Company had applied to SEBI to allow release of 5,69,300 shares pledged to PSIDC and also allow for transfer of 8,85,000 shares purchased by the Company under the buyback undertaking. Therefore, the shares so pledged shall be released to the Company by PSIDC on the adjudication of the matter by SEBI.

Note 24

Disclosures, relating to amounts unpaid as at the year end together with interest required under the Micro, Small and Medium Enterprises Development Act, 2006 have been given to the extent company has received intimation from "Suppliers" regarding their status under the said Act.

Forward Looking Statement

In this annual report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make/contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realized, although we believe we have been prudent in assumptions.

The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialize, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.
